Bring Cargo, Supply Base Logistics - Easter 2026

EXPRESS TRANSPORT

In the event of an express assignment, Bring will collect and deliver the cargo as soon as possible. It is important that the sender pre-arrange with the consignee that receipt of the goods will be performed upon arrival. The shipping documents must include telephone number to the contact person that will arrange loading and unloading.

SPECIAL TRANSPORT

We encourage everyone to plan for special transport to be delivered before the holiday season starts. Transport of oversized Cargo will be performed according to information in the approved exemption application from the authorities.

DANGEROUS GOODS

Dangerous goods will be transported if sender has pre-arranged receipt with the consignee, as regulations do not allow such cargo to be stored on vehicles. This does not apply for transport between Stavanger and Mongstad, where Bring can use our terminals for temporary storage.

COLLABORATION GIVES THE BEST RESULT

We will do our best to ensure that your shipments arrive on time.

Here are some tips on what you can do to help:

- ✓ Please give us a pre-alert as soon as possible if you expect large volumes or have out of gauge cargo that requires dispensation.
- ✓ Please be aware that several ferry departures may be cancelled during Easter, which may result in longer transit time.
- ✓ Book as early as possible and remember to include phone number for the consignee, for us to give notifications along the way if unforeseen incidents.
- ✓ Please note that our offices are closed from 12:00h 1. April until 08:00h 7. April.
- ✓ 1. April, local transport will be delivered as normal transport on the same day, if the shipment is booked before 14:00h 31. March, in Stavanger booked before 08:00h 1. April
- ✓ You can always contact our duty phone if you need transport outside office hours.
