EXPRESS TRANSPORT

In the event of an express assignment, Bring will collect and delivered the cargo as soon as possible. It is important that the sender agrees with the recipient that unloading of the goods is possible. Bring needs a contact person for loading / unloading, the shipping documents must include telephone number for contact person regarding loading/unloading.

SPECIAL TRANSPORT

We encourage everyone to plan for special transport that requires dispensation to be delivered before the holiday season starts. Transport of oversized Cargo will be performed according to information from approved exemption application from the authorities.

DANGEROUS GOODS

Dangerous goods will be transported if pre-arranged with consignee. Dangerous goods will only be loaded if the recipient can accept such cargo, as regulations do not allow such cargo to be stored on vehicles. Does not apply for transport between Stavanger and Mongstad.
