* 2-digits indicates the two first digits in the postal code. Example: 00 - 39 is valid for postal code 0001 to 3999.

If mailings are handed-in at Service centres, Post offices and Post in shop follow local handing-in times for Unaddressed mail. Find your handing-in place at bring.no/kart. Press the link «More information» and you will find information about handing-in deadlines. **Handing-in deadlines must be followed even if the postal terminal or your local handing-in place has longer opening hours.**
