

Price list Business Pallet

All prices are in NOK and include basic price and kilo surcharge; excluding fuel and sulphur surcharges. The price also includes import and export clearance fee (including 3 line items). Shipping abroad is not subject to VAT. The maximum weight is 35 kg to Denmark, Finland and Sweden. For most other countries, the maximum weight is 30 kg. Volume weight is invoiced by volume factor 200 kg / m³. The volume is limited to a maximum of 0.35 m³ / parcel equivalent to 70 kg of freight calculated weight. From 36 kg in Zone 1 (except Germany) and 31 kg in Zone 2-7, the price is shown in NOK per kg freight calculated weight. Otherwise, refer to the general delivery and payment terms on bring.no.

Valid from 01.12.2018 subject to change.
